Please see attached message from Mr. Dohmann providing some information on who he thinks might wish to attend the meeting. He does not have a list of attendees, but his assistant has sent us a copy of the agenda, which I am forwarding to you in a separate e-mail. Hope this answers some of your questions.

Jose,
I apologize for not getting back to you sooner. I have been out doing ranch work.
I understand that the office has sent you the agenda.
As to attendees, we will have a sign in sheet during registration which will give us a list of attendees and those wishing to speak.
As previously posted and noted in area newspapers, this is an open meeting. Everyone is invited to attend and to speak if they wish to.
As per previous meetings, I would anticipate that there may be a presence by UEC. UEC and TCEQ has not made contact with the District.
While I do not have a list of names, I also anticipate that there may be representation from our Senator's and Representative's office, from concerned citizens from Kleberg County, from the media, from the Sierra Club, and residents from surrounding counties.
The Goliad County Judge was contacted and has been invited to do a welcome.
Regards,
Art Dohmann

Hello Mr. Dohmann:

Thank you very much for your suggestions on the best route and possible rest stops. At a meeting this afternoon, my Associate Director asked me if it would be possible to obtain an agenda for the meeting and a list of confirmed attendees.

The purpose of this message is to consult with you on the possibility of obtaining this information. If it is

available and you would like to share it with us, it would be greatly appreciated. Earlier this afternoon, I left you a message on your cell phone regarding this matter. I will appreciate hearing from you one way or the other.

Have a nice afternoon. Sincerely,

José Eduardo Torres - 6WQ-SG
